"I'll Kill You!" Reporter Hears. 'Twas Only Thus!

"I have stood for your infidelity long enough and now I am going to kill you."

These words in a deep mascu-line tone awoke a newspaper re-porter with a start last night in a room on West Eighth street in Topeka.

a room on West Eighth street in Topeka.

"I have seen ited about and those charges are all unitrue. My God, put down that revolver." This, in a pleading feminine voice from an adjoining room.

By this time the reporter was in the middle of the room, shaking with fear and detailing which of three policies would be wisest—rush in and rescue the woman in true, movie style, play "safety first" and sneak to a telephone or permit the tracedy to go on and permit the tragedy to go on and be assured of a story for the next day. Then came from the mascu-

didn't get the right cue."

The bubble burst. Two actors at the lip occupied the next room and were rehearsing.

Horse Dies of

Chief Joseph Hanlon of the fire department hadn't filed the death certificate with the city clerk, but "Ned," the handsome sorred at Station No. 5. is dead. He was shot. Ned had been suffering from cancer for five or six years and it was feared that he would so crazy any day. The cancer was on the side of his head and had eaten in almost to his brain. He suffered intensely, according to veterinarians. He was restive in his stail and found it hard to stand still when he had reached a fire but the faithful horse never hestitated when it came to making a run. He kept up his end of the double-tree to to the last. Ned was one of a match-team and Chief Hanlon doesn't know where to get a horse that will match the one left. Ned was purchased for the fire department in September, 1906, and had never been anywhere except at Station No. 5. He was 15 years old.

El Paso, Jan. 22.-Francisco Villa as reported surrounded by Carran-sta troops in the Sierra Madre (Continued on Page 2.) sista troops in the Sierra Madre mountains of Chihuahua today.

This report by General Cavazos, who commands the three columns Return Everything — Rebuild
Factories, Says Holy Father.

Washington, Jan. 22.—That the pope will demand complete restitution to Belgium of her government, her territory, reparation for financial losses and even the rebuilding of her factories degroyed by the German invasion, as a tenet of a peace treaty with Germany, a subjective property.

Who commands the three columns herming in the bandlit chief was made to General Luis Herrera, at Chihuahua and resulted in the premature announcement that Villa was a prisoner. Governor General Ignacio Enriquez, of Chihuahua, on official business in that the explanation of the reported capture while pointing out that the outlaw bandlit orobubly could hold out in his mountain hiding place indefinitely.

Enriquez had heard that Villa even that the college is and that his followers have women in their camp.

menute speeches on the Shackleford \$25,600,000 good roads bill, evenly divided between city congressmen who oppose it and those from the country districts who support it, were delivered in the house today. More will be heard Monday. The money will be apportioned to all states, conditional upon local co-operation.

"We do not want to appropriate a lot of money for roads that probably will run from country depots to farmers houses," was the way Representative Mages, of New York, epitomized the opposition.

"The greatest objection of the opponents to this bill is that it would not provide peanock highways running from ocean to ocean for automobilists." Representative Thompson, of Oklahoma, replied.

Many oppenents of the measure argued the appropriation should be applied to the preparedness expenditures and were told that good high-

WILSON IS COMING
